GURUKUL THE TEMPLE OF LEARNING ESTABLISHED IN 2005.

Gurukul is a leading Co-educational Day Boarding English Medium School in Kichha, U.S. Nagar, Uttarakhand. Gurukul is located on sprawling pollution free campus in Green City on Darau Road Azad Nagar, Sunehra, Kichha, 1.5Km away from Darau Chauraha National Highway- 74. The campus is spread over 2 acres of green Periphery and offers a serene environment, in a clean countryside. The school building is a spectacular piece of modern architecture. The school is known for quality and aspires to cater the needs of students of the national repute. Gurukul premier day boarding co-educational school offers a truly English Medium Education. The school offers a global platform with perfect blend of technology, value, culture and innovation.

OBJECTIVES

Besides, imparting learning skills, GURUKUL stresses on the education to be the most important instrument for the transmission of culture and values, inculcation of a sense of respect in the young minds of their responsibility to their wards, family, society, country and humanity. We provide every child with individual attention. We ensure multi culture rooted Indian values with emphasis on personal excellence. Every student will emerge from GURUKUL School as a considerate, accomplished and an aware human being ready to assume responsibility for making a better world.

DEAR PARENTS

In the present scenario, when the concept of education has undergone a radical change and has gained a new dimension, the school has emerged as facilitator in the learning process. In this new order, the parents have an equivalent role to play. It becomes the need that they keep themselves abreast with the school in all its endeavours for the well being of their child. In case parents have any concern relating their child's studies, they are welcome to write to the school. The co-operation of parents, time to time support and even guidance is a pre- requisite. Your trust in us gives us strength to provide a healthy environment to nurture them, thus leading to their all-round personality development.

Manager

From Principal's Desk

Gurukul strives to inculcate academic and behaviour excellence in the students. The school aims to develop a sound mind in a fit body, so that the students can be developed into resilient and rational thinkers, adequately prepared for the coming future. The students are instilled with high ethical standards and spiritual bias throughout their growing years.

At Gurukul, a conducive environment is provided which nurtures and teaches the child to discern, think and infer the multitude of information presented to him. This is the reason that our students exhibit excellence not just in academics but innumerable others spheres.

We at GURUKUL train our students to be versatile and mould them into leaders of tomorrow.

SCHOOL UPDATES

Precious Gems added to the crown of GURUKUL

Each year brings a positive change. We placed **Laddu Gopal** naming him "*Gurukuladheesh*" and installed the idol of Goddess Saraswati in a Mobile accommodation in our reception area. Their blessings added two gems in the crown of school.

- * NCC
- * GURUKUL Fans Club

NCC

Its a matter of great pride that NCC was introduced in our school which is the first and the only public school to introduce ARMY WING SENIOR DIVISION. Its establishment brought LAURELS to the school. Aiming at developing character, comradeship, discipline, a secular outlook, spirit of adventure, ideals of selfless service amongst young citizens. We further established a shooting range to develop the skill in our NCC cadets.

FORMATION OF CRICKET CLUB

"Cricket is a thrill both to play and is not less than any sporting event". The second landmark was that GURUKUL CRICKET TEAM (GURUKUL FANS CLUB) was successfully registered with CAU (Cricket Association of Uttarakhand) which is affiliated to BCCI. It provides a golden opportunity to all cricket fans and gave them a chance to explore their talents in this field.

WE AT GURUKUL UPHOLD THE MOTTO

These are the core values which we are always committed to. These ideals offer us a way of thinking in everything we do. These tools have been extremely powerful and following them we have been able to achieve desired results. These 3'ds have been motivational and guiding force for each one of us whether teachers or students. In the present scenario these values are earnestly needed to step great heights.
